

IMPORTANT UPDATE

Temporary Fuel Surcharge Removal

Dear Valued Customer,

At Melsteel Pty Ltd, we are committed to providing reliable service, competitive pricing, and transparent communication.

We refer to our previous communications regarding the Temporary Fuel levy. With recent reductions in the national diesel price to below \$2.00 per litre, and consistent with our commitment, **we will remove the Temporary Fuel Surcharge effective 1st July 2026.** However, our local delivery cost will increase to \$100.00 + GST.

This reinforces Melsteel's commitment to transparency and responsiveness to changing market conditions.

If you have any questions regarding this update, please contact our sales team.

Thank you for your continued support.

Kind regards,

Melsteel Management & Team
